The service will feature an AGAPÉ meal. Agapé is the Greek word for 'love.' An agapé meal was a Christian community feast in which the early Christians gathered to share their food in common with prayer and song. Scholars believe it was distinct from the Eucharist which took place on Sunday morning, with the agapé meal later in the day. At our agapé the youth will preside over bread and wine in church and invite us to share in a continuation of the feast at a potluck in the church hall following the worship.

Downtown Abbey Afternoon Tea

A sincere thank you is extended to the wonderful folks at St. John's who generously gave of their time and energy to help make the fifth (and final) Downtown Abbey Afternoon Tea a superb event. It takes many hands to make the Tea something we can all be proud of and we thank you for your interest, participation and enthusiasm. We worked well together and Maria and I think we made St. John's look good.

To our guests who travelled with us back to a time when tea time was special, we hope you know our day was memorable because you were there. Thank you.

The young people who are attending CLAY in Thunder Bay, Ontario, in August are thrilled to be adding the profits from the Tea to their fundraising efforts. We are pleased to help them.

Thanks for your support.

Sincerely,

The organizing team – Maria & Adele
